

**Your Single Source For
Vehicle Graphics and Wraps**

inpr **GROUP**

Your Single Source for Vehicle Graphics and Wraps

**With a diverse portfolio and extensive range of capabilities,
INPS has become a manufacturing solution provider.**

Founded in 1966, INPS Group has facilities through North America and Mexico.

Through the INPS Group of Companies our mission is to be your single source provider. Whatever your requirements we have the solution. INPS is a versatile and virtually unlimited manufacturer and provider of components for a large variety of industries. Through our in-house capabilities and numerous partner companies under the INPS Group, we provide full-scale component acquisition and design services to clients ranging from the largest industry players to smallest of niche businesses. No other provider seamlessly integrates itself into your company like we do.

Livery “Wraps”*

- Complete vehicle wraps
- Eliminate the need for paint
- Easier maintenance and repair

* North American installation services

Stripes & Decals

In addition to complete locomotive wraps, we also offer a full range of Graphic Films for rail applications. Waistline stripes, complete exterior decal kits, and nameplates, all made from durable weather-resistant products, easier to apply than paint.

Locomotives

Locomotive Wraps

INPS manufactures high quality, reflective exterior transit graphics; from full vehicle wraps to safety decals and striping.

As a 3M™ Select Platinum Graphics manufacturer and installer, we design, produce and install vehicle decals and wraps for the fleet and transit industry.

Our team can incorporate artwork and colors while considering effective spacing of the design based on the application requirements.

Your Savings

We understand your challenges, such as reducing the costs you incur for graffiti removal, train carriage washing, and carbon dioxide emissions in your paint shops.

Replacing paint with film can lead to less carbon dioxide emissions.

Reduce your cost, your downtime, and your VOCs with our locomotive wraps.

Vinyl Wraps

The finished look is indistinguishable from paint but at half the price and with infinite design options.

Refresh Brighten up your locomotive.

Livery Graphics

Application and installation of vinyl livery graphic elements.

Graphics Included:

- Vinyl Wrap
- Swoosh
- Striping
- Car Numbers
- American Flag

- Safety Decals

Design, Print, & Installation

Our printing capabilities allow for high-resolution images to be incorporated into your locomotive wrap, offering limitless design options beyond just solid colors. Embrace boundless creativity with wrapping, where your design possibilities know no bounds. Let our design department guide you in bringing your ideas to vibrant life.

Locomotive Rebranding

Replacing the exterior wrapping on 12 Brookville BL36PH Locomotives.

Bi-Levels

Wrap It!

Say goodbye to the days of multiple paint coats, long turnaround times and related safety concerns, including high VOC emissions.

Our locomotive wraps, which meet regulatory and compliance requirements, can help you achieve reduced downtime with faster installing films and protective coverings.

Fast, cost-effective and environmentally friendly.

Cab Car Wraps

Remove the old wraps, provide, and install new wraps and decals for a fleet of:

- Bombardier Cab Cars & Trailer Cars
- ROTEM Cab Cars & Trailer Cars
- Removal of the existing wrapping system
- Provision of the new wrapping system
- Provision of new marking and reflective labeling
- Installation of all new and/or repaired and repainted items.

Before

Endless Possibilities

We can print high resolution images for your locomotive wrap so you aren't limited to solid colors. With wrapping, your design possibilities are unlimited.

Our design department can assist you in bringing your ideas to life.
