Cove Panel	Stairs / Stairways	Speaker Grills	Integrated Decorative
Pier Panels		HVAC Grills	
Seat Covers		Electrical Outlet Covers	
Speaker Panels		Coat Hooks	
Wall Panels		Decorations	
Window Friezes			
Window Masks			

INPS has been supplying thermoformed and fiberglass parts to the transit industry for decades.

INPS products meet fire, smoke and toxicity requirements for composites in trains.

We offer material, texture, colour and finishing options.

Door Skins

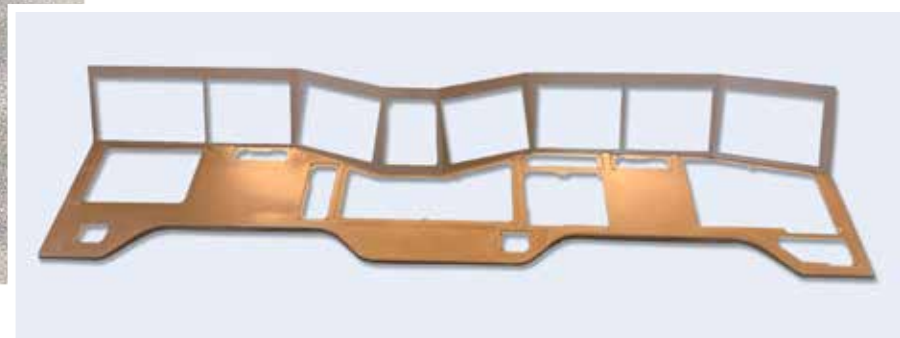

Wall & Ceiling Panels

Dashboards

Fiberglass

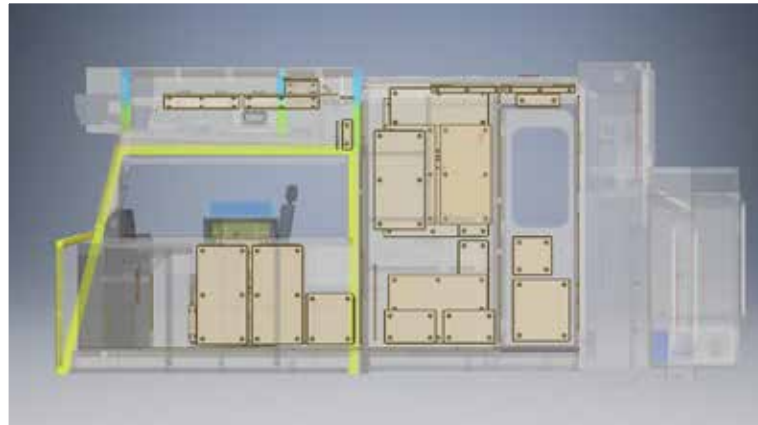

INPS specializes in developing and producing instrument panels to meet our customer's specific requirements. We also design and manufacture LED options when back illumination is required.

Sound Damping

Sound Damping for Locomotive Cabs cleans up the look of the cabin interior and is custom-made to fit all locomotive models. Our sound damping products are compliant with all current industry standards, are fire retardant, as well as scratch and dent resistant.

Vacuum formed panel with sound damping on the inside.
